

The Sailors' Society Dragon Boat Challenge

Saturday 27 June 2009

The Sailors' Society Dragon Boat Challenge is a fantastic motivational and team building experience for your staff. It is also a means to build and consolidate relationships with valued clients. With activities for families and friends, this day is relaxed, yet highly competitive for the teams taking part. This exciting event will be held at Dorney Lake near Eton, the chosen venue for the 2012 Olympic rowing events.

- We are recruiting 30 teams, each one comprising of ten rowers and a drummer.
- The event will be a competition in heats, with trophies for the winning teams and the highest fundraiser.
- An exciting tug of war competition will run alongside the Dragon Boat racing, for which a separate trophy will be awarded.
- One of the highlights of the day is the human table football, where participants are 'velcroed' to an inflatable beam, so they can only move sideways. Hilarity is an under-statement for the fun created by this activity!
- For those preferring a more sedate activity there is clay shooting and target golf.
- Children's activities will include a bouncy castle, entertainer and face painter.
- All participants will receive coffee and a bacon roll for breakfast, along with a barbecue lunch. Each team will receive an additional 11 guest food passes per team.
- We ask that each team aims to raise £3,000 for participation in this exciting and competitive team building event in the shipping industry.
