

WHAT WE ACHIEVED IN 2023

We paid out more than

40

Sea Change welfare grants for seafarers and their families in need

More than

600

seafarers have undertaken our elearning wellness training

Almost

900

seafarers were supported by our Crisis Response Team

More than

12,500

seafarers benefited from our Sea Ready pre-departure training

We were there for

30,000

individual seafarers plus their families

4,200

cadets attended our Maritime Schools' Conferences. These virtual conferences were held in North Asia, South East Asia, Africa and, for the first time, the UK

We published our first cadet report uncovering the drivers and concerns of Gen Z cadets using data gathered from our global cadet conferences

WE LAUNCHED AN EXPANDED WELLNESS AT SEA AWARENESS CAMPAIGN

free for all companies to share with seafarers, their families and shore staff. More than 70 organisations have used the resource since 2021

Our Peer-to-Peer Support Groups have grown by

28%

We have specific groups for female seafarers, cadets, captains, families and those affected by the war in Ukraine

We now engage with

1,200

seafarers via our Peer-to-Peer groups
